ARENA RAKE

Engineered for Efficient and Dependable Performance. The Arena Rake is designed to pull behind ATVs, UTVs, Garden Tractors, and Compact Tractors. The Arena Rake features a revolutionary Depth Control System, which gives you the power to control your arena depth over the entire surface. With the Easy-to-Use, Top-Wind Jack, adjust your Arena Rakes grooming depth in one simple movement in a matter of seconds. Once the depth is set, the tire and tooth distance never changes. A second Side-Wind Jack controls the Arena Comb and lets you decide the kind of finish you want, such as a light or deep harrow. The result: consistent, level ground with every use.

Ride Hard ... Stay Grounded!

Affordable - Effective - Efficient Arena and Track Grooming Maintenance

📍 7845 E. Gelding Dr. Suite 103 Scottsdale AZ 85260 📞 877-835-0878

ARENA RAKE

Features

- The Performance Arena Rake is designed to be pulled with an ATV, UTV, Garden Tractor, or Compact Tractor.
- The Performance Arena Rake is designed for all arena conditions, from sand to sandy-loam and hard packed soil.
- The Rake scarifier shanks are designed at an angle to continually pull the groomer into the ground in even the hardest arena conditions.
- Performance's Revolutionary Depth Control System allows you to adjust your Arena Rake, grooming your entire arena at the same pre-set depth every pass.
- The cutting depth and Arena Comb are both easily adjusted using our heavy duty 5000lb Top and Side-Wind Jacks.
- Depth Control can be adjusted between 0" and 5" and is monitored by an Easy-to-Read Depth Gauge.
- The adjustable front hitch is easily changed to meet the hitch height of your pull vehicle.
- Scarifier Shanks are laser cut from a 3/4" steel plate, and fitted with easy-to-change, bolt-on Scarifier Teeth made from hardened steel.
- The extremely durable Arena Comb is laser cut out of hardened 3/8" plate steel.
- Engineered with a heavy duty tubular frame, constructed out of 1/4" and 3/8" steel for years of dependable service.
- Fitted with two premium quality, wide flotation tires, and easy lube hubs.
- Performance's Arena Rake is available in three sizes: 52", 64", and 76" wide.
- Powder Coat finish.

The Adjustable Hitch, allows you to match the height of your pull vehicle.

Use with a Tractor, ATV or UTV.

Scarifier Shank and durable, easily replaced Scarifier Teeth

Easy-to-Read Depth Gauge

QD Model	Recommended Power	Width	Length
CAR 52	150-400cc / 5hp+	52"	65"
CAR 64	400cc+ / 12.5hp	64"	65"
CAR 76	550+cc / 17hp	76"	65"
